LAKE LOUISE

Nestled in the woods of Northern Michigan, the grounds of Lake Louise provide a sandy waterfront setting on Thumb Lake for swimming, kayaking, athletic fields, places to relax, and acres of hiking and biking trails. Lake Louise Retreat Center provides lodging in semi-private rooms that comfortably sleep three people. There are community bathrooms located down each hall. The retreat center is air conditioned and has wifi. We'll enjoy the outdoor amphitheater and firepit nightly for devotions, worship and gooey smores!

SUMMER YOUTH MISSION TRIP

July 5 - July 11, 2020

Lake Louise
11037 Thumb Lake Road
Boyne Falls, MI 49713

Who can go?

Any Youth from the Central Bay District in 6th-12th grade as of September 2019, plus volunteer chaperones. If you are a parent or adult interested in attending as a volunteer, please contact Jennifer Lane.

How much does it cost? Are there scholarships available?

The cost is $375, with a $50 deposit due by March 1, 2020. There will be one Fund Raising opportunity that will help to cover some of the trip costs for anyone who participates in that effort. We also have need-based scholarships available - please contact Jennifer Lane to apply.

What will a day look like on the mission trip?

We'll be staying in the Retreat Center at Lake Louise, enjoying all of our youth-friendly, and special diet meals in the Center's dinning room. Each day we'll serve others throughout rural northern Michigan. On Wednesday, we'll enjoy all that the Lake Louise campgrounds have to offer. Then after dinner that day, we'll be packing 800 meal packages to feed 4,800 people with help from Chantel Corrie, Executive Director of Midwest Mission Distribution Center.
