

A Day Mission Trip!

For you and your Church!

Bicycle Ministry-Outreach

A Central Bay District of UMC - Mission Project-Site

According to Mission Insite, 26.71 percent of families in a 5 mile radius of New Heart UMC in Saginaw do not have a car. Therefore, bicycles can become the primary mode of transportation for a family to receive food or to receive other vital needs in daily living. Fun is only secondary.

Therefore, bicycles can become the primary mode of transportation for a family. We gave away over 100 refurbished bicycles to people in need on May 26. We have additional requests of 140 plus used bicycles for children, youth and adults.

4 Ways YOU can help!

1. Please view and share this you-tube video with your church by going to our **YouTube Channel @ New Heart** and view our video called the **Bike Ministry Vision**. Please share and like to help share this ministry need.
2. Please call Tom Welsh at 989-992-9344– Bike Ministry Coordinator for Saginaw – New Heart UMC under the supporting leadership of Frankenmuth UMC for information, needs and/or **scheduling a half or full**

day mission trip to repair bicycles. Training is provided. Adults and youth welcome! Youth group involvement is encouraged.

3. **Please donate used bicycles for children, youth and adults.** Working or needing repair. If your church has collected 10 bicycles or more, we will seek transportation for you!
4. Our hope is to start building a community bicycle repair shop in 2022. **Any financial gifts are greatly appreciated.**

For more information on this ministry, please visit the Central Bay District website and click on Mission Projects – New Heart in Saginaw, viewing page 5 & 6. Of course, pages 1 thru 4 are filled with more New Heart Outreach/Mission News!

Yes, they are blessed with a bicycle, but most importantly they are receiving the love of God, in Jesus name, as prayer, a short word of encouragement from God's word and care transforms their heart!

Your help is greatly appreciated! Please consider one of the four ways to get involved. Thank you so much for making this mission-ministry possible to people in need!
