“HEALING & RESTORATION”

Everyone has been hurt in their lifetime. Hurts have come from family, friends, co-workers, even the church. Those hurts can cause division, broken relationships and deep wounds. During this clergy retreat, each of you will be introduced to a Biblical tool that will help along the journey to healing and restoration.

Join us for a time away with fellow clergy members as we share and fellowship together. The retreat also gives you the opportunity to rest, relax and renew yourself spiritually.
