

Lay Servant Ministries of Central Bay District invites you to participate in a class that will help you to explore caregiving situations, study concepts and guidelines for service, develop skills for such a disciple called to be a pastoral caregiver, and enable the establishment of a pastoral caregiving ministry; whether within a congregation or affiliated with it. Pastoral caregiving can provide a Christlike response to a hurting world that embodies “loving God with all one’s heart, soul, and mind,” while loving one’s neighbor as you love yourself.
