

# CENTRAL BAY DISTRICT YOUTH SUMMER SERVE TRIP 2024

## REGISTRATION NOW OPEN!

**WHEN: JUNE 27-28**

**WHERE: BIG RAPIDS, MI**

**COST: \$85**

Join your Central Bay District friends, old and new, and share the incredible gift of serving others this summer through our Student Summer Serve Trip 2024, *WE BE TRIPPING!* Our Central Bay District Youth (current 6th - 12th grade students) will team up with mission partners in our own backyard of Big Rapids, Michigan.

Our experience will begin, Thursday morning, the moment we step up to our limousine seats that will transport us to Big Rapids! Each limo will have its very own MC and ridiculously fun activities for the whole trip. All current middle and high school students in the Central Bay District attending will get a “taste” of a Serve Trip by taking part in this two-day experience. We will be hands-on with our partners, helping them accomplish their unique missions with the people of the Big Rapids area. Everyone will be picked up by a fleet of limousines from one of three of our Central Bay District churches. Pick up locations will be determined by registration. The trip will end on Friday morning with a beloved service project before everyone heads for home in their limousine. Possible serve partners: Project Starburst, Evergreen Terrace, New Horizon Humane Society, and Mecosta-Osceola United Way.

If you would like to request a scholarship, please register first with an initial deposit and then contact Jennifer Lane at [ced@mtpfumc.org](mailto:ced@mtpfumc.org) by April 30th.
