

Clergy Women Retreat

October 27-29, 2024

Lake Louise Christian Community

Come join other clergywomen as we enjoy the beautiful Autumn season at Lake Louise and anticipate the upcoming winter season. Just as there are seasons in a calendar year, there are seasons in ministry. Let's gather together to reflect on the rhythm of the changing seasons around us and in our lives.

This year our theme will come from the Katherine May book, "Wintering: The Power of Rest and Retreat in Difficult Times." Reading the book is optional as it will be used for inspiration only.

This retreat will provide space for personal reflection and connection with God. There will also be ample time for walks in the woods, puzzles, and other activities. It is facilitated by Susan Hitts who can be reached at 231-622-3839 or susanhitts@gmail.com for more information.

Registration is through Lake Louise at <https://lakelouisecommunity.org/2024-retreats/> or the QR code to the left.

Single rooms are \$250 and double rooms are \$125 with meals included.

Questions about the accommodations? Contact Greg Lawton at 231-549-2728 or glawton@lakelouisecommunity.org
