“Loving our Neighbors”

Mark 12:30-31

“Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength. The second is this: Love your neighbor as yourself. There is no commandment greater than these.”

Our Project

“One Week, One Street” began with an idea to organize a local mission project to help meet the needs of people in Saginaw using volunteers from the Great Lakes Bay Region churches living out the command to *love our neighbors*. This effort is accomplished through a yearly week-long revitalization effort which takes place the last full week of June.

Over the past eleven years we have successfully collaborated with many Great Lakes Bay Region churches, youth groups, businesses and other non-profits. As a result, crime has gradually reduced by 80% in the neighborhood since 2011. We believe that the region cares about Saginaw and its residents and by pooling resources and collaborating with existing organizations **we can make a difference!**
